**DIRECT
INTERACTION**
with the
AMBASSADOR

With a population of more than 1.4 billion, India is the world's largest democracy and has

come to play a major role in the world, such as the Presidency of G20 in 2023.

This will be a rare opportunity to hear from the Ambassador not only about India and Japan, but also from a global perspective, and to ask questions directly to him.

Ambassador of India to Japan

H.E. Mr. Sibi George

After graduated American University in Cairo, he studied at Indian Institute of Management, in Bengaluru, etc. He has a very distinguished career of diplomacy as ambassador in many countries such Switzerland, The Holy See (Vatican), The Principality of Liechtenstein and Kuwait.
